

FROM THE DEPTH OF MY HEART...

My dear precious partners in the Lord,

I bring you special greetings for a new year of God's glory and power. I strongly feel that we are entering into a new level of manifestations of God's power and glory. The pressure you feel today is the birth pain of a new arrival of God's miracles. The Bible never gives you any reason for entering a new year with fear, doubt and trembling.

We don't know what the future holds, but we know the One who holds the future. The One who led you and carried you all the past years is the same yesterday, today and forever. The more intimately you know your God, the more you will experience His glory in the coming days. Times may change, kingdoms may change, your age may change, but your God never changes. Rejoice in the Lord and reap His bounty in the coming year.

Last year also God has graciously blessed our ministries and prospered us. We had two Schools of the Holy Spirit for ladies, and two for men and couples. Nearly four hundred delegates from various countries and walks of life including full time and part time ministers caught the Holy Ghost fire and spread it in India and other countries. The stunning testimonies we hear from them are so fulfilling and thrilling. They assure us again and again that our labor in the Lord will not go in vain. Among all our programs we conduct every year, I see greater life transformations and lasting fruit coming through these concentrated schools of three months, forty days and one month.

Especially the school for women is unique and first of its kind in India. Leaving the husbands, children and all the pressing burdens of the family and coming for a month is a miracle for Indian women. When we see them in the first week, always it pains our heart to see the oppression and suppression of women and the deep hurts and disappointments of their hearts. Sometimes we wonder how to release them from their cruel bondage into their glorious freedom.

But always the Holy Spirit is so faithful to bring them into such a joy, healing and liberty. Almost from the second week you can see their joyful dancing and the invigorating power of the Holy Spirit in each one of them. God literally turns their mourning into dancing and fills them with heavenly joy. Many times, they burst out into uncontrollable laughter for hours and receive mighty healing and miracles while they drink the New Wine of heaven. Seeing the enormous results of this school, we are inspired to have many more schools for the women who are the devil's favorite targets in our country.

We will have the fifth batch of our Ladies School from March 1st to March 31st. Apply immediately and for more details log on to www.ezekiahfrancis.org.

God is very much challenging us to launch Schools of the Holy Spirit also in other states of India. We hear the voice of God that the harvest field of North India is ready for a greater harvest. This is the time to send forth mighty miracle-working harvesters into the field. Please pray with us daily for this mountainous task to be completed.

As usual, our yearly Fasting Prayer, Apostles and Prophets Seminar, Zoe Youth Meeting, Covering Pastors Meeting, Prayer Seminars for the Nation and our Short Term intensive Course yielded much fruit also in the last year. God's good Hand was upon us also in all our travels and seminars in India and abroad.

God has kept all of us alive and healthy by the prayers of sincere partners like you. He met all our financial needs through your sacrificial, generous giving. God is no man's debtor. He will richly reward you this year for your persistent and continuous prayers and donations.

Please make note of our regular programs and try to participate or send candidates. Soon after our three days of fasting prayer at Theni this month, we have a 40-day School for men and couples from Jan 20th which will end gloriously with our Apostles and Prophets Conference (February 24th to 28th). People are expected from all over India and abroad. We believe God for mighty demonstrations of God's power in all our meetings.

We want to have more intercessors for our ministries. If the Holy Spirit stirs your heart to join us please enroll your name immediately. We will send you our prayer requests periodically. Kindly uphold us in your prayers as you always do faithfully. Pray for me, my wife and family, and our staff in Poondi and in our office. Pray also for all our programs and our leaders.

In this new year, endeavor to sharpen your vision, strengthen your feeble hands and knees and rise up with new vigor. Your Creator of the ends of the earth neither faints nor is weary. He constantly releases His power wherever you are weak and increases your strength where you feel feeble. As you increase your faith and praise Him more, your strength shall be renewed and you will mount up with wings like eagles. You will run and run and never grow weary. This is your heritage and your birth right. Take it and do great exploits for God this year (Isa.40:28-31).

Yours in Christ

Abraham Francis

New Year Promise 2014

Dr. Ezekiah Francis

He that spared not His own Son, but delivered Him up for us all, how shall He not also with Him freely give us all things? (Rom.8:32)

This is the unchanging promise of God for you to enjoy and experience this year. You may ask constantly, ‘How will this year be and what does God want to do in my life? Will there be a miracle in my life? Will I be healed and healthy this year? Will God provide my needs miraculously? Will there be harmony and peace in my life? Will there be signs and wonders in my ministry?’ For all your questions for the New Year, God replies you with a big question: “How shall I not.... freely give you ALL things along with My son”.

If you understand God’s question to you, all your doubts, anxieties and fears will be totally dissolved forever. The reason we question God is our lack of knowledge of God’s willingness and generosity. God wants you to get the revelation of Romans 8:32 this year as never before.

Diligent to possess

I believe in getting a fresh Word from God for every year, but I sense two dangers here. It becomes almost a religious custom to be fascinated to hunt for New Year promises. The thrill of the New Year promises vanishes a few days into the New Year, only to resurrect once again at the beginning of the next year. People do nothing about the promises they receive and their life becomes a boring routine. We neither expect a fulfillment nor wage a good warfare with the promises God gives us (1.Tim.1:18). We are not diligent to work hard and aggressively to inherit

God’s promises with all endurance and persistence. We easily throw away our confidence that has great reward (Heb.10:35, 36).

Embrace all promises

Another danger of getting a New Year promise is that we limit our expectation within the horizon of our promises. Every promise that God has given from Genesis to Revelation should be claimed and experienced every year. All the promises of God in Him are yes and in Him amen to you (2.Cor.1:20). Imagine what would happen if we gathered all the promises given to all our pastors and leaders for this year. It would cover almost every Bible promise from Genesis to Revelation. God’s main intention is to increase our expectation. God is challenging you this year to explore every new territory and every one of His promises.

When all the promises of God are freely available to you anytime, why should you be satisfied with one or two promises for an entire year? My heart is always agitated when I hear teachings that limit and put boundaries to our inheritance in Christ. God wants you to break all the mental blocks that limit you from enjoying God’s bountiful riches. Get excited about every promise of God this year.

God is challenging you to enlarge your capacity and embrace every blessing that is yours in Christ. Launch out into the deep and let down your nets for an abundant catch (Lk.5:4). **Let not your past failures hinder your future miracles.** Do not reason and argue about any of God’s provisions. This is the only way to release and to receive God’s wealth.

The all-inclusive promise

The greatest blessing of heaven is God's Son, our Lord Jesus Christ. Your daddy God did not spare His own Son from you. The greatest promise that includes all the other promises is the promise of our Lord Jesus Christ coming into this world. Every blessing that you can ever imagine is wrapped up in the Son of God. God delivered Him up for you and me even to pour out His very life on the cross.

Can you ever fathom the high value of the Son of God? What is His worth? Will it be millions of dollars or billions of dollars? Nothing under heaven or above heaven could ever take the place of Jesus. There is none like Him. He is the greatest and incomparable Treasure of heaven. This incomparable Treasure came to dwell in your heart. The very God who commanded the light to shine out of darkness is shining in your heart. He delivered His greatest treasure to come and live in your earthen vessel (2.Cor.4:6, 7). Wow! What a love! What a generous gift! What unsearchable riches of Christ! Oh, the love that passes all our understanding! If God opens our eyes to see this revelation, our faith will soar in heavenly realms.

All things

The Holy Spirit clearly challenges us with the question, "How shall He not with Him also freely give us all things?" 'All things' includes every single one of your needs. It is as if God is saying, "How shall I not heal your body? How can I not manifest my miracles? How shall I not prosper you with riches and honor? How shall I not use you powerfully with signs and wonders? How shall I not answer your deep longings and prayers? How shall I not bless you with long life? All your needs are met along with your Savior Jesus. When you received Christ and the Holy Spirit, the whole heaven opened up for you.

Year of open heavens

The Son of God came from heaven to open all the heavens for you. You are right now walking directly under the open heaven. Every blessing of heaven is available to you freely.

You can see this prophetic picture at the baptism of our Lord. **"When He had been baptized, Jesus came up immediately from the water; and behold,**

the heavens were opened to Him, and He saw the Spirit of God descending like a dove and alighting upon Him" (Matt.3:16).

When Jesus came out of the water, the heavens were opened to Him, and the Spirit of God descended upon Him. After the Spirit came down, did the heavens shut again? No! No! They are still open for those who received Christ and the Holy Spirit. Walking under an open heaven means all the blessings of the heavens are heaped upon you and you are enriched in everything and come short in nothing (Eph.1:3; 1.Cor.1:5-7). Under the open heaven, His divine power has given to you all things that pertain to your earthly life and Godly life (2.Pet.1:3).

When heaven is open to you, you prosper in all things and enjoy perfect health in your soul and body (3.Jn.2). He gives you richly all things to enjoy (1.Tim.6:17). As heaven invades the earth, you became a connecting link between heaven and earth.

For Old Testament saints, open heaven and free access to the heavenly riches were just a dream, but their dreams became reality for us. Jacob had a dream of open heavens at Bethel. **"Then he dreamed, and behold, a ladder was set up on the earth, and its top reached to heaven; and there the angels of God were ascending and descending on it"** (Gen.28:12). From the top of the ladder, God spoke to Jacob in his dream.

Heaven and earth united

God did not spare His own Son and delivered Him up to die on the cross because of our offenses (Rom.4:25). He demonstrated His own love toward us when we were born sinners, and gave His Son to die for us (Rom.5:8). The sins that separated heaven and earth were broken on the cross and the heavens were opened. Your Savior came to this earth, fulfilled all God's righteousness as your Substitute, and opened the heavens for you.

When Christ came to dwell in your life, you and Christ together became the way and ladder between heaven and earth. Jesus made it very clear to His disciple Nathanael. Jesus answered and said unto him, "Because I said to you, 'I saw you under the fig tree', do you believe? You will see greater things than these." And He said to him, "Most assuredly, I say to you, hereafter you shall see heaven open, and the angels of

God ascending and descending upon the Son of Man” (Jn.1:50, 51). Every believer in Christ can see heaven open and angels ascending and descending upon our indwelling Son of God.

You are God’s host and heaven’s gate

The greatest good news of the New Testament is that we became the house of God and we host Him. We are the gate of heaven (Gen.28:17). Multitudes of God’s angels are ministering to us night and day (Heb.1:14). They constantly ascend and descend upon us as Christ lives in us as the hope of glory. This year angels are waiting for your orders. The more you proclaim and demand God’s blessings, the busier they become to discharge heavenly blessings upon you. They literally wait to hear and do God’s Word that comes through your mouth (Ps.103:20). As you joyfully accept this revelation, you bring heaven on earth wherever you go. God’s angels are constantly carrying your prayers and desires to God and bringing God’s answers and miracles back to you. Oh! What are the riches of God’s mercy and liberality!

Beloved, your God not only gave up His own Son for you, He lavishly fulfilled all your needs and your desires along with His Son Jesus. It is the same package. Please unfold it this with strong determination and release heaven on earth. The blessings of heaven are not falling from heaven like small packages. The whole heaven is opened up freely for you! You do not need to ask and beg for it. Just see it with your spiritual eyes and thank God for the open heaven. Do not wait, but take. All His promises are given to you as an open cheque for you to fill it up. It is up to you to draw from your open heaven as much as you want this year. You can become a millionaire if you want. You can become a miracle worker if you want. You can walk in perfect health and vitality if you want, all because of the open heaven above your head.

Year of enemy’s camp opening up

Whatever the devil has stolen from you will be restored back to you sevenfold this year. The enemy can no longer hold back your blessings and your miracles. The fortress of the enemy’s limitations over you is broken.

Do you remember how Samaria was besieged by the Syrians in the time of Elisha? All the people of God suffered terrible famine even to the extent of eating

their own children. At the peak of desperation, the four lepers who were sitting idly at the entrance gate of Samaria took a wise decision which altered the whole course of history.

See this! Now there were four leprous men at the entrance of the gate; and they said to one another, “Why are we sitting here until we die? If we say, ‘We will enter the city,’ the famine is in the city, and we shall die there. And if we sit here, we die also. Now therefore, come let us surrender to the army of Syrians; if they keep us alive, we shall live; and if they kill us, we shall only die” (2.Ki.7:3,4).

I believe this is the prophetic condition of today’s Church. God’s people are waiting passively inside their prison when the enemy besieges them. The people of God unnecessarily suffer lack, defeat, disease and depression. Maybe we have opened the door somewhere in our lives for the enemy to imprison us. This year God’s prophetic Word is coming to you to march on into his territory and to take back what he has stolen.

It is time to shake ourselves from all slothfulness and passivity and become desperate for a change. We must come to the breaking point as those four lepers did. If we continue doing what we are doing today, we will die anyhow. If we go back to the condition of others, still we will die in defeat and failure. It is better to jump into the enemy’s territory, not to surrender but to subdue him daring to die for Christ and His people.

Remember what has happened to those lepers. When they came to the outskirts of the camp, the whole enemy’s camp was opened for them. They ate, drank and carried away silver, gold and clothing as much as they could. At last, they realised that they were called to carry the good news of the enemy’s defeat to the people of God. As a result, the Israelites chased their enemies and saw all the road full of garments and weapons and plundered them. The Israelites experienced tremendous victory and enormous prosperity all of a sudden.

The miracle happened because of two reasons as per the word of Elisha. One reason is the desperation of the four lepers. They became extremely despaired of their lives and they realised it was better to die in the new territory than to do nothing.

Beloved, as long as you accept and tolerate your present condition as normal, you will never make any progress. You will die like mere man. But the moment

you dare to take a bold step into a new territory, God will release His miracles. It is not the time to sit and moan your plight, wallowing in self-pity. Many believers maintain their status quo, living a lukewarm life. But the desperate people who dare to die for the Lord and live for others have plundered the enemy's camp and blessed the multitudes. God is challenging you this year to step into your possession. Declare war against the enemy's limitations. Refuse to be passive anymore. Rise up like Esther saying, "If I perish, I perish". Remember, the violent take the Kingdom of God by force. The enemy is holding the ground for long because of the laziness and passivity of the people of God. Shake yourself from all your fears and doubts and be aggressive and violent.

Another reason for their miracle is the way God fought the battle for His people. See the interesting and funny way God chased His enemies. **"For the Lord has caused the army of the Syrians to hear the noise of chariots and the noise of horses - the noise of a great army; so they said one to another, "Look, the king of Israel has hired against us the kings of the Hittites, and the kings of the Egyptians, to attack us!" Therefore they arose and fled at twilight, and left the camp intact - their tents, their horses, and their donkeys - and they fled for their lives"** (2.Ki.7:6, 7).

Every time I read the battles of the Lord in the Bible, I laugh in my heart. Just by breaking the pots, God's enemies were scattered. When the priests blew the trumpets and the people of God shouted, the Jericho wall fell flat. When the army of the Lord began to sing, the enemies killed themselves.

In this battle, God just caused the noise of horses and chariots and of a great army to be heard. Maybe the angelic army of the Lord made such a noise and confounded God's enemies. The Syrians thought that Israelites had gathered many more kings and came to attack them. Yes, when someone is in fear they guess very wrongly. As a result they ran, leaving all their properties and belongings for God's people to plunder.

Beloved of God, your daddy God did not spare His own Son and delivered Him up for you on the cross where He proclaimed victoriously, "It is finished". That sound echoed into the enemies' camp and shattered them to pieces. All the principalities and

powers were totally stripped of all their power on the cross (Col.2:15). All your diseases were destroyed on the cross. The power of death was swallowed, lack and poverty was abolished and all your curses were broken.

All you have to do now is to make a joyful noise of Christ's victory over death, disease and defeat. As you keep shouting and praising the Lord, the enemy will leave all your blessings and run in fear. You will possess new territories and regain everything you had lost before.

Truly, this is the year of restoration for you. Take back your possessions. This is the year of great harvest! Claim it! This is the year of mighty signs and wonders! Go for it! This is the year of unbelievable financial prosperity! Enjoy it! This is the year of the Holy Ghost! Crave for it! This is the year of open door! Run into it! This is the year of big plans and visions! Embrace it! This is the year of God's reward! Receive it! This is the year of unusual faith! Build it! This is the year of God's glory! Prepare for it! This is the year of plundering hell! Rise up! This is the year of restoration! Take it back! Time is short! Be diligent! In Jesus' Name!

Rev. Benita Francis

“I call heaven and earth as witnesses today against you, that I have set before you life and death, blessing and cursing; therefore choose life, that both you and your descendants may live;

that you may love the LORD your God, that you may obey His voice, and that you may cling to Him, for He is your life and the length of your days; and that you may dwell in the land which the LORD swore to your fathers, to Abraham, Isaac, and Jacob, to give them” (Deuteronomy 30:19-20)

Millions of believers all over the earth are asking, **“How will the new year be?”**

God's answer to me was, **“Whatever you make it to be!”**

Year of right priorities

In 2014, you will keep your priorities right. “In the beginning, God created...” (Ge.1:1) will be your guiding light. You will keep God at the beginning of everything you plan and do. You will first ask for His counsel and guidance, and you will never go wrong.

Year of word power

Just as God created the entire universe with His Word, you who are created in His image and likeness will use your words to create life and blessing in and around you (Ge.1:3,5,6,8,9,10,11,14,20,20,24,26,28).

Year of governing authority

God has endowed His Church with tremendous authority (Lk.10:19; Mt.28:18-19). Death and life are in the power of your tongue (Pr.18:21). This is applicable not only for you, but also for the world around you. “By the blessing of the upright the city is exalted, but it is overthrown by the mouth of the wicked” (Pr.11:11). As a born-again believer in Jesus Christ, you have become a part of His global Body and are entitled to use the authority He has so freely given to you. In 2014, you will use the power of your tongue to change even the politic landscape of nations and bring righteous rulers to power.

Year of favor in heaven and earth

In 2014, God no longer calls heaven and earth as witnesses AGAINST you. Today, God is totally for you! Through His suffering on the cross, Christ has made peace between God and anybody who will make Jesus the Lord of his life (Ro.5:1; Col.1:20; Jn.1:12). Today, all heaven and earth are waiting for you to arise and shine, for your light has come, and the glory of the Lord is risen upon you (Heb.12:1; Isa.42:4; 60:1). Heaven and earth are eagerly waiting to celebrate the exploits you make for your God and for the good of your people.

Year of blessing and resurrection power

In 2014, you will choose life and no longer death. Your words will be blessing and no longer cursing.

Your words will uplift and encourage people and no longer tear them down and dishearten them. You will no longer speak death and destruction but life and liberty. You and your loved ones will be invigorated by God's resurrection power emanating through your faith-filled words (Jn.6:63; 11:43).

Year of riches and honor

In 2014, your right choices will bring length of life, riches and honor to you and your descendants (Pr.3:1-26). Your decisions will be guided by God's Word and God's Spirit (Ps.119:105; Ro.8:14). You will worship Jesus and seek only God's Kingdom and righteousness, and all the other things will be added unto you (Mt.6:33).

Year of inheritance and possession

In 2014, you will possess your inheritance by the blessing words of your mouth. No matter what may happen to the world around you, as God's elect you will live in Goshen, the best of the land, and enjoy God's constant miracle provision and protection (Ex.8:22; 9:26). In 2014, many will move into their own lands and buildings.

Year of deep intimacy with God

In 2014, you will love Jesus and hear His voice like never before. You will happily obey His voice, and no curse will be able to touch your dwelling (Jn.10:27; 15:14-15; Dt.28:1-2). Blessings and honor will follow and overtake you as you cling to your God who has become your very life (Pr.4:5-10; 1.Co.1:30). You will be fully satisfied with your loving relationship with your God who has become your best bosom friend, your very life. All the things of the world will lose their grip on you as you relish this greatest love story the universe has ever seen - the love between God and man.

Year of joyful service

In 2014, you will arise into your God-ordained position and possession. You will serve the Lord your

God with joy, gladness and singing (Ps.100:1-2). Ministry for God will be a mere joy for you and for those you minister to. God's Presence will be enjoyable and prayer a delight (Isa.56:7). You will truly experience that His yoke is easy and His burden is light (Mt.11:30). Churches and entire nations will enter into a new realm of joy and liberty as their leaders discover the joyful shout and submit to God.

Year of assurance

In 2014, you will recognize and know without a shadow of doubt that He made you and that you don't have to "make yourself". All striving for power and position, all confusion and competition will end as you understand that you are His child and the sheep of His pasture (Ps.100:3). You will finally be able to enjoy your life without having to stress, strain and compete to "be somebody". Competition, back-biting and bullying will end as believers and leaders find their true worth in Christ and Christ alone (Ga.2:20).

Year of gratitude and praise

In 2014, gratitude, praise and thanksgiving will be your lifestyle (Ps.100:4-5). God's mercy and truth will be the very air you breathe and the aroma you disperse. The humble shall hear and rejoice, and many will be added to the Kingdom of God.

Year of manifestation of God's Kingdom

In 2014, you will truly live in God's Kingdom of righteousness, peace and joy in the Holy Spirit (Ro.14:17). The more you venture out into the world, the more God's Kingdom will be manifested with signs, wonders and mighty outpourings of the Holy Spirit.

All heaven and earth are waiting for you.

So - How will this year be? - Whatever YOU make it to be!!!

Have a blessed, blessing 2014!!!

FRESH WINE (THROUGH THE PROPHET)

In the recent Prayer seminar our beloved Prophet Ezekiah Francis delivered the special message from God and a glimpse from it.

“As I just told once that I like cashew in a meeting, I could find it in each and every dishes served to me all those days I stayed there. God says He likes singing, celebration, praises all the time from each and every one of us. Why can't we give to Him?”

Therefore by Him let us continually offer the sacrifice of praise to God, that is, the fruit of our lips, giving thanks to His name (Heb.13:15).

David had understood it; did it all the twenty four hours and that's the reason behind his success and never ceasing relationship with Him in spite of the struggles he faced.

Answer of “EXPLORE THE BIBLE” of the Last Month...

The ‘Magic word’: TRIUMPHANT

NEWS

1. The historic Lok Pal Bill was passed by the Parliament almost unanimously. In 2011, Lok Sabha approved the Lok Pal Bill. However, social activists opposed it saying it did not have the teeth to fight against corruption. Therefore 14 more features were added to the Bill and introduced in the Upper House of the Parliament, the Rajya Sabha on 19th this month. After the debate on it, Samajwadi Party members who oppose the Bill walked out and then it was passed in the House. The Bill It then went to the Lok Sabha for its endorsement of the amendments, and the Lower House too passed it with near unanimity. Prime Minister and other higher authorities, the CBI and the Central Vigilance Commission are under its jurisdiction. It is also mandatory on the part of the states to establish Lok Ayukta's though its nature could be decided by the concerned state governments.

2. The legendary leader Nelson Mandela of South Africa, who struggled against Apartheid died on December 6th at the age of 95. Fondly called Madiba, he spent 27 years in prison for the cause of getting the country free from the shackles of racial discrimination. World leaders like President Pranab Mukherjee, President Barak Obama and many others including millions of people paid homage to the Nobel laureate.

3. Supreme Court upholds law declaring homosexuality as a crime. In a case challenging the Delhi High Court verdict that decriminalized gay activity, the Bench consisting of Justices GS Singhvi and SJ Mukopadhyaya said the Section 377 of Indian Penal Code that bars carnal relationship against the order of nature does not suffer from unconstitutionality. Delhi High Court verdict in support of homosexuals is legally unsustainable, it said. However the apex court gave the government the right to delete Section 377 or amend it.

GIVE THANKS

I am Babina from Andhra Pradesh. My husband already attended School of Holy Spirit for Men. So he wanted me to attend the School of the Holy Spirit for Ladies. Before coming to the School I had a very bitter experience with my In-law family. I couldn't forgive them. Because of that even my own family life was in the problem. But Holy Spirit did a mighty work in my spirit, soul and body. And also in School Rev. Benita Francis counseled us, which really helped me to come out of every bitterness and I could forgive my In-law.

The teaching on family life and marriage helped me a lot and opened my eyes. After leaving the School I went to my In-law and asked forgiveness and seeing me they started to shout and scold me, but this time my reaction was different. Rev. Benita taught us to laugh at the situations and exactly I did on that day. That brought a miraculous change in my mother in law and she started to cry and accepted me.

God is using us powerfully in the ministry. In one family, in three generation continuously 12 abortions. We did curse breaking and lead that family into freedom and also wherever we go people are receiving fire anointing, and we could exactly discern the spirits and problem. Many prompt healings are taking place through us. All glory to God and thanks to Berachah Prophetic Ministries.

I am Wilma from Mangalore. This School changed my total life more than I expected. On the fifth day of the School, Holy Spirit filled me with the joy anointing in Rev. Benita Francis session and I was filled with uncontrollable laughter and I was like drunk for three days, I even couldn't walk to my room and Holy Spirit removed all the depression, sadness

-SOHS Ladies (4th Batch) Testimonies

that was overpowering my life. After that I saw a great release in my spirit, soul and body and I started to see more heavenly dreams. After going from the School I am releasing the joy that Holy Spirit imparted into me. People could see a great transformation in my life and everyday my life with Jesus is becoming more sweeter. I thank God for bringing me to this School and I give all the glory to Him.

I am Helen from Trichy. I received the true picture about God and me in this School. The subjects, which we learned on the School really transformed my life. Especially the teaching on spirit, soul and body opened my eyes and made me to understand where I fail and how can I discern and come out of it. I received a powerful healing in my body also. During Rev. Benita Francis session I got instantly and completely healed from the spinal cord problem which I was suffering for past 12 years. All glory to God.

After the School my ministry also became more fruitful. Great notable change happened in my life which my family and friends are my witness. I thank God for Berachah Prophetic Ministries for conducting such rare kind of School especially for Ladies

I am Reeta from Chennai. I attended School of the Holy Spirit for Ladies. Before coming to the School I was suffering severe health problems. One side of my body will become numb often and I was having severe unbearable headache and also giddiness. On the fifth day of the School I received mighty joy anointing during Rev. Benita Francis session and started to laugh and continued to laugh for hours. After that, I received total healing in my body and now no numbness and giddiness. My husband couldn't believe it and he is so happy and now wherever we go mighty

anointing is being released through us and God is doing great things. I cannot pen the blessings that I received through this wonderful Holy Spirit School. Now I could do all my household work on my own which is impossible before. All glory to Him.

I am Revathi from Tirupur. I attend the School of the Holy Spirit for Ladies. I was working as a software engineer. Before coming to the School my life was a tragedy and I couldn't find answers for many of my questions. But this School opened my eyes and I got the answers for my questions. God delivered me from my guilty and filled me with the joy anointing and after the School I went back and did my first ministry at my home. I led my whole family into the curse breaking and my mother and father totally got delivered. Wherever I go God is using me to touch people. Now I have dedicated my life once again for His kingdom and ministry.

I am Sony Rachel from Mumbai. I attended the School of the Holy Spirit for Ladies. My life got totally transformed. Now I am seeing great breakthrough in our church ministry. Many souls are being added and we are conducting water baptism often. While I was in the School, one day when they were teaching on the Holy Spirit, my daughter at home received the anointing and started to speak in tongues which is marvelous. I really thank God for Berachah Ministry and for this School.

I am Asha Peter from Kerala. This School of the Holy Spirit for Ladies changed my life upside down. I received a deep inner healing in the school and also Holy Spirit filled me with the joy anointing. After going from School our church ministry totally changed. Many souls are coming into our church. I am doing very powerful ministry now. Seeing my life my husband decided to go for 40days School in the month of January, as a couple we are going to attend this School. I cannot express my joy and gratitude to God for bringing me to this ministry.

I am Mary.T from Hyderabad. I was doing ministry two years back wonderfully with the help of the Holy Spirit. Slowly my ministry started to go down. I was suffering from sleeplessness, demonic

voices, black magic and bad dreams. Along with this, for the past 20 years I was suffering from stomach pain. After attending the School of the Holy Spirit my ministry took a turn. Now God has opened the door in three different places for the ministry. When I go to pray, God is revealing people's problems before they tell me. The Holy Spirit is doing tremendous miracles through my prayer. I prayed for one of my family members who had a pain and could not walk. When I prayed for her she received the anointing and immediately started to walk.

While in the School, Rev. Benita Francis prophesied over me that I would nurture a church in my house and God would use me powerfully. As she prophesied, God is using me more among the Hindu families and many are accepting Christ. God is using me in family counseling. A great miracle happened in my body also, the stomach pain of twenty years totally disappeared and now I am sleeping nicely, no bad dreams, no demonic voices, only heavenly dreams and the voice of the Holy Spirit. I praise God for one month School of the Holy Spirit for Ladies. There is no such school for Ladies in INDIA. I praise God for Dr. Ezekiah and Rev. Benita Francis.

I am Mary Anandamma from Hyderabad. This School is a gift from heaven for the ladies. Before coming to the School my love towards God had become cold. I felt very dry in my spirit and I also had health problems like knee pain and weakness in the body. I couldn't even walk ten steps. I was thinking, "How am I going to do ministry? In this condition, I cannot work for God." Due to this, I was very disappointed and depressed.

When I came for one month School of the Holy Spirit for Ladies, I learned and understood that Christ is in me, His dunamis power is in me. God restored my first love and my fellowship with God. God also restored my health through healing teaching, and now I can jump and dance in the presence of God. My faith was boosted up through the teachings of Dr. Ezekiah Francis & Rev. Benita Francis. During the School when I hugged Rev. Benita, I felt the Holy Spirit himself was hugging me. God told me, "They are your spiritual parents". Berachah Prophetic Ministries touches each and every area of our lives through many teachings. I thank God for this School that showed me that age is

not the factor to do God's ministry. Now I live for God and serve Him more effectively.

I am Monica from Hyderabad. I as a young girl had to go through many things, there were times when men tried to use me in wrong ways. I was an average student at School and due to various sicknesses like sinus, stones in my kidney and urine infection to name a few. I became a failure as i grew up. As my parents were busy earning money to give me a great life, I ended up being all alone by myself cursing God for all the problems. I attempted suicide twice even before i reached 20 years of age. But that was when, at church I learnt about God and how I could overcome all these problems in life.

God made me so successful that i won awards as the best outgoing student at university and for academic excellence. But, though i was born again I knew I had forgotten but still had unforgiveness towards people who rejected me, spoke wrong things about me and tried to use me. Since i was not under the observation of my parents i developed soul ties with various people, especially friends. But God separated me from all of them. Later I knew, that it was for good that happened because all good things work together for those who love the Lord. Even after i got to know my calling, i didn't know anything about breaking soul ties and breaking curses. Although i was not close to anyone in my family or any of my friends anymore, i knew i had to break these soul ties and curses that could affect me without my knowledge.

After coming to Berachah Holy Spirit spoke to me about soul ties and about breaking curses, i broke all of them and i forgave everyone whom i had not forgiven. For many years I had believed the lies of the devil that none liked me and that i'm not worthy to be used by God because my parents out of their anger or tension

would utter words or would make me feel so useless. After coming to Berachah I learnt about what kind of spirit I am, what kind of calling I have and numerous other things.

In fact, watching my parents fight since my childhood always made me think that i shouldn't marry. But Rev. Benita's message on marriage changed my whole perception on marriage life. My whole attitude on life has changed now. God has been using me mightily as a worship leader since i have come back from Berachah whereas i couldnt and i felt i was not ready to be used by God. I look forward to attend many more meetings and seminars that will be conducted by Berachah hereafter because this one month has changed my life and i feel this is not enough and i really need more!! I thank Dr. Ezekiah Francis and Rev. Benita Francis.

I am Devarani from Andhra Pradesh. When I came to the School of the Holy Spirit I was a very depressed woman. Even though I am doing ministry I had many hurts and wounds in my life. It made my life bitter and depressed. In the School, Holy Spirit filled me with the joy anointing. I rolled down and started to laugh which I couldn't control. For many hours I was laughing and after that my face changed, my depression gone. I was totally delivered from the sadness, I became fully drunk in the Spirit. It continued for me after going to my place also. In the Sunday service previously I used to condemn and preach, but after the School, the first Sunday service I lead the people into the joy anointing and the service went till 4'o clock in the evening. Many got healed and it was so powerful. My daughter also attended the first batch of the School. We both together serving the Lord powerfully. Really this School has transformed my whole life and personality. I praise God for Berachah Prophetic Ministries.

This is your time to rise up and shine for God.
