Dearly beloved of God!

I am glad to get in touch with you through this magazine. I am sure you are blessed and prospering in all the spheres of life.

We have just two more months to go for this year to end. It is time for us to ponder over what we have accomplished for the Lord since the beginning of this year. Not to be guilty about our shortcomings, but for us to arise with new vigor and reach our God-assigned goals. Get going with the strength you have. Can you hear God call you "Oh man and woman of valor?" Yes, it is true. In Christ you have the ability, valor and faith to reach your destiny. When God is on your side, who or what can come against you?

Thank you for your fervent and powerful prayers for our ministry programs. In our Orissa meetings, we saw the hand of God move mightily. We are really excited on seeing how the body of Christ in Orissa were blessed through our ministry. Indeed God is faithful!

The Prayer Seminar is going to be held from November 2nd to 6th 2010. Your prayers alone can make it a success. Intercede for our health and for the various needs of the seminar. Pray that people with prayer burden may participate from all over India and abroad.

The Healing and Health Seminar is going to start from the 6th through the 10th of December 2010. We all know how critical the need for the ministry of healing is, around the world. The need for awareness on healthy living has become so much essential for us to live long and strong. So, I am convinced that this seminar will help us, saints a great deal.

Please pray for the Berachah Campsite Project at Poondi. In every issue, you can see pictures of the developments of our campsite. Never forget to pray for a minimum of 5 mins for the construction work.

Pray for the health and protection of my wife, parents, family, counselors, leaders, co-ordinators, partners and staff.

May your relationship with the Holy Spirit increase and root deeper! May all that your hands touch prosper! I pray that you and your family be blessed in all the walks of life. God bless you and multiply you a million times!

From His hiding place.

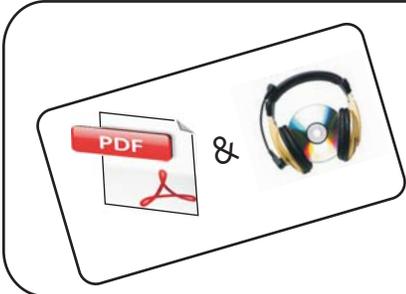

Your brother,

Ezekiah Francis

A PROPHETIC INSIGHT BY

Prophet Ezekiah Francis

'Now therefore, if you will indeed obey My voice and keep My covenant, then you shall be a special treasure to Me above all people; for all the earth is Mine. And you shall be to Me a kingdom of priests and a holy nation.' These are the words which you shall speak to the children of Israel. (Ex.19:5)

But you are a chosen generation, a royal priesthood, a holy nation, His own special people, that you may proclaim the praises of Him who called you out of darkness into His marvelous light. (1.Pe.2:9)

God chose the Israelites to bless and show forth His glory to the whole world. In the Old Testament, God put an "If", saying, "If" the Israelites obeyed Him fully, then they would be His treasured possession, a kingdom of priests, a holy nation, above all the earth. In the New Testament, this "If" is removed forever. In Christ, you are His treasured possession, royal priesthood and holy nation, His own special people. You are called to proclaim the praises of Him who called you out of darkness into His marvelous light (1.Pe.2:5,9; Dt.7:6; 14:21; 26:19). Rejoice!

The major difference: In the Old Testament, people had to do something to earn their position, but in the New Testament, Christ has earned the position and given it to you free of cost (Ro.4:4-5). Once you accept and believe your exalted position, your behavior changes accordingly (Mt.9:29). When the Israelites failed to obey Him, God chose

the Levites as His kingdom of priests instead. When all of them failed Him totally, God sent His Son to birth His Church as His holy nation to proclaim His glory to the world. When Jesus was on this earth, He chose the twelve, the seventy, then the hundred and twenty to proclaim His praises. Now, all who trust in Christ have become His chosen generation.

Chosen Generation: The word "chosen" (eklektos) means, "One picked out from among the larger group for special service or privilege". The Israelites missed this privilege because of their disobedience, but you gained it because of Jesus' total obedience. God's election is one of the greatest truths of the New Testament. In Christ, you are chosen, elected, selected, a hand-picked person (Jn.15:16; 1.Co.1:27-28; 1.Pe.2:4,9; Eph.1:4; 2.Th.2:13). In Christ, He has picked you out of this world for His special purpose. When you are firmly rooted in this truth, you will never again bother when people reject or ignore you.

Royal Priesthood: In the Old Testament, priesthood and royalty were separated. Some were anointed as kings, some as priests. In Christ, you have become both (Rev.1:5-6). You are God's royal priest. The royal dignity and authority is implanted in your nature (Jdg.8:18; Ro.5:17; 8:15-17). You are God's sovereign over all your circumstances. You are also His priest, the worshipping and interceding race. It's your great privilege to be a consecrated priest to offer up spiritual sacrifices of worship to God and intercede for others. To the extent you do this, you rule and reign as a king (Rev.5:10; 20:6).

Holy nation: In the Old Testament, only the Israelites were called God's holy nation. In Christ, you have become His holy nation. His Blood has

made you holy (Eph.1:1; 1.Co.1:2; 2.Co.1:1; Heb.10:14). You have the genes of the Holy Father. You have dual citizenship. Every Blood-washed child of God belongs to His holy nation (Eph.2:19; Phil.3:20).

Purchased possession: You are God's special property (Mal.3:17). The word “special” (segullah) means, “personal property, special treasure”. It could also mean God's pocket money. He finds freedom and delight to use you as He wills, for His own pleasure. He saves and guards you jealously.

Another meaning is, “Royal treasures, prized possessions of kings”. You are of more value to Him than the entire universe. He makes sure everybody treats you as His royal diadem (Isa.62:3).

Beloved, thank God for all these privileges. You are picked out from this world. Don't ever love the world and its pleasures. You are totally set apart from this sinful world. Never stoop down. You are His royal priest. Use your authority and privileged priesthood-position, continually offering praises and prayers. You are God's ambassador. Represent His holy nation and diffuse the heavenly fragrance. You are God's most precious, prized possession. Spend your time in His special service!

Prayer: Thank You, Lord, I am a chosen generation, a royal priesthood, a holy nation, Your own special people. I proclaim the praises of You who called me out of darkness into Your marvelous light because I am in Christ. 1Pe2:9-10

Report from ORISSA MINISTRIES

By **Dr. THOMAS**
Dahinchu Agni Ministries, Andhra Pradesh

We know that many men and women of God have been persecuted and some even martyred in the state of Orissa since 2007. I am sure we cannot forget the cruel murder of Graham Stains and his two sweet boys. I always had a burden to do something for them. As I waited in God's presence, the Holy Spirit clearly led me to conduct a seminar.

In obedience to His command, BPM organized Village Worker's Seminar for the men of God from the most affected areas, Kandamal and Balgunta. This was held between September 27th through 30th (5 days). Satan tried his best to hinder the seminar but as we all know, our God is always the conqueror. About 480 full time workers participated. The Lord poured out His anointing as God's prophet Dr. Ezekiah Francis ministered to them. Many were weary, disheartened, broken and caught up in various struggles of life. God revived them and refreshed them to run ahead with greater momentum. Many were almost in a lukewarm

condition. God had mercy on them and fanned the flame so that they could shine brighter for His glory. All of them were encouraged and ready for the faith fight. God's love and comfort filled them. They got back the joy that they had lost long ago.

The Lord used our dear sister Rev. Benita to break the curses in the lives of women. Every session was anointed and brought great liberty.

Bondages were broken and captives set free when our dear Pastor Nehemiah prayed for deliverance. Many delegates were filled with the fresh anointing and testified what God has done. The Lord also used Bro. Jawahar's family in a special way.

Every single participant testified that they were blessed beyond measure. Hope you remember how Christians in Orissa were tortured. Their clothes were torn, women were stripped off, raped and many men of God were beaten. Praise God! Now we are healed. God met them, comforted them, and quickened them to accomplish their God given goals. All glory be to God and God alone!

HYGIENE

God knew long before...

Of course, like always, your God knew all of that long before science could ever discover it. He has put countless sanitary laws into His user manual for the human being, the Bible. Why did He do that? To make you waste your time? No! It is to make you avoid sickness and disease and give you life and life more abundantly (Jn.10:10)!!!

He commanded the Israelites to keep their camp clean in many ways. They had to wash their bodies with clean water, wash their clothes, cleanse their houses and vessels, remove animal and human waste, animal and human corpses, and destroy vessels, clothes and even houses contaminated by leprosy. Lepers had to be cast out of the camp to protect the community. Your loving God even taught His people how to go to toilet to prevent the spreading of diseases!!! And imagine, the paddle or peg they were to use to cover their refuse was considered one of their tools or WEAPONS! And it IS a weapon indeed: a weapon against cruel sicknesses and deadly diseases (Lev.4:11,12; 6:11; 8:17; 10:4,5; 13:46; 14:3; Num.12:14,15; 31:19; Deut.23:10,12-14)!

In developed nations, the government requirements for hygiene are very high. Friends of mine have a Christian 4-star hotel. When one of their restaurant personnel got diarrhea, the doctor prescribed medicine and three weeks of compulsory rest. After ten days, she felt totally restored and wanted to go back to work. You know what was the doctor's response? He said, "If I find you working in that restaurant before your three weeks of leave are over, I will send the health police there, and they will close down that restaurant!" Imagine! This is how serious viral or bacterial infections and public health are taken in nations with a Christian foundation!

I always marvel at the great respect and honor for life that is still seen in many areas, although unfortunately many formerly Christian nations are today

turning increasingly towards other religions. If you keep your eyes open, you can clearly see the outcome: The wonderful blessings we experienced are step by step giving way to natural disasters, ungodly laws and practices, and a general downward trend, especially among the young generation. As our God says so clearly: "See, I have set before you today life and good, death and evil, in that I command you today to love the LORD your God, to walk in His ways, and to keep His commandments, His statutes, and His judgments, that you may live and multiply; and the LORD your God will bless you in the land which you go to possess. But if your heart turns away so that you do not hear, and are drawn away, and worship other gods and serve them, I announce to you today that you shall surely perish; you shall not prolong *your* days... I have set before you life and death, blessing and cursing; therefore choose life, that both you and your descendants may live" (Dt.30:15-19).

In Western nations, anybody who has anything to do with food preparation for the public must take a full medical exam including an x-ray of the chest every six months to make sure they have not contracted any contagious disease that could endanger the health of the people they are serving. Hotels and restaurants must be ready at any time, day or night, to pass a sudden and rigorous check by the "health police", or their establishment will be closed down immediately. This is how diseases like amoebiasis were eradicated to the point that our doctors and laboratories don't even know how to search for it in a stool sample! (Not even my computer program knows how to spell it).

Why do we take such severe action? Well, the reason is that people can catch life-threatening diseases like amoebiasis or typhoid fever after ingesting food or water that has been contaminated during handling by a human carrier. The human carrier is usually a healthy person who has survived a previous episode of the disease but in whom the amoeba or bacteria have been able to

survive without causing further symptoms. Carriers continue to excrete the cysts or bacteria in their feces and urine. It takes vigorous scrubbing and thorough disinfection with soap and hot water to remove the bacteria from the hands.

After any episode of typhoid, the person remains contagious for several weeks to months, even after the symptoms ceased. In some people, the bacteria remain alive and active lifelong. They don't cause any more symptoms in that person but can infect and kill anybody who comes in contact with their bodily excretions. In this way, people can unknowingly murder others just by a lack of personal hygiene and thorough medical checking before serving food to others. Here

again we see: "My people are destroyed for lack of knowledge" (Hos.4:6)! Don't become an unconscious murderer! Make sure you keep your hands clean at all times, especially when handling food and after using the toilet.

Typhoid and dysentery are diseases we knew during war times, as well as invasions of rats, lice and the like. Today, however, strict discipline and cleanliness have totally wiped out these tortures of mankind in the developed nations. Do you now see why our God is a clean God, while the devil is a dirty devil? Disease and death spread easily in unhygienic circumstances, but your God's heart desire is that you may be in good health, just as your soul prospers (3.Jn.2).

LAUGHTER

THE DIVINE MEDICINE

A merry heart works good like a medicine: but a broken spirit dries the bones. Proverbs 17:22

(See Exodus 14)

I THINK THAT YOU HAVE SOME SERIOUS FAITH ISSUES

"DO YOU MEAN TO SAY I SPENT MY ENTIRE LIFE BEING A GOOD CHRISTIAN FOR THIS?"

Miracle Stories from 33rd STC

1. God did a mighty miracle in my life. For the past 40 years, I was suffering from acute hyper acidity. I was allergic to even very small amount of chillies and hot stuff. Endoscopy revealed atrophy of the stomach walls. All these years, I was on a bland diet and was surviving on curd rice, once out of home. During this STC, healing virtue was in the air. I decided to put My faith into action. I took food – hot non-veg stuff provided in the camp one day. Praise God! There was no pain, no stomach upset. I was healed. I had been taking all hot stuff these days. Hallelujah!

Our campsite is verily the healing center for nations. Setting foot here had proved health and strength to my body, soul and spirit. Joy and healing has been the hallmark of ones' staying here. Blessing of Is.35 comes true in this campsite. Dr. Ezekiah's song, "Yoke will be cut off; bondages broken: Joyful noise of praise shall be heard" reverberates very much here. My healing is just one other dealing of Jehovah Rapha's blessed presence here. All glory be to God!

Mr. Daniel Paul Srinivasan (BPM Co-ordinator), Tiruvannamalai

2. I was suffering from diabetics for past 15 years. From the very first day of STC, I didn't take any kind of medication and I didn't have any problems at all for all the days of the course. Praise God! Now I am perfectly healed from the horrible Disease. I also had terrible pain in my body, especially my legs. I am healed from that too. I thank God for the mighty healing from the bottom of my heart.

Mabel.D.Silva, Ghatkopur

3. I was tormented by demonic bondage as a result of some curses operation in my life. I would feel as if I was bound by chains around my waist downward and would not be able to move my legs at all. After the curse breaking sessions, I felt a kind of heaviness go out of me and I felt very light. Glory to God, now I am set free from those cruel curses. I am emotionally free and feel like dancing and jumping all the while.

4. My mom had uterus problem, doctors advised to go for surgery. Just a day before she went for the check up, I prayed for her, when Pastor Nehemiah said that all the uterus problem is getting healed. Praise the Lord, when the doctor checked her, they found her uterus totally healed and the surgery was cancelled.

Sis.Vaishali Poojari, Maharastra

5. I am a doctor, practicing for the past 6 years but I was suffering with severe distal vascularities. Being a doctor I tried all the medicines. I was under high steroids since the pain was unbearable. Once I heard Dr. Ezekiah on SS Music TV Channel and the words he spoke built my faith and I decided to attend the STC. As I heard the Truth, I was set free from the deadly disease. I stopped all the medicines. I am perfectly healed!

Dr.Caroline, Chittor

6. Let me thank the Holy Spirit first for bringing me here to attend the STC. Really it is an honor and personal privilege for me to attend such a wonderful and blessed meeting. The experiences here is beyond words. Each and every session of the meeting was amazing. We were provided with the best here. Accommodation, food and everything was good. The spiritual food we got from here couldn't be explained. Being with the men of God from all the states of India and even from many foreign nations was a thrilling experience. The blessings and teachings of prophet Ezekiah Francis and Rev. Benita and other mighty men of God were highly beneficial. Under the mighty presence of the Holy Spirit, we were lifted to heavenly places. I came to the STC with lot of questions and all of them were answered.

7. I thank God for bringing me here. Anointing, deliverance, gifts and most of all, the joy of the Lord is unspeakable. The first two days I had bladder problems, wheezing, internal bleeding, cough, sinus, right arm pain, ear ache and I had real battle in my spirit. However I made up my mind and asked God's grace to attend all the sessions. Due to physical ailments I could not enjoy the Lord's presence. I cried to my Lord and asked him to make me free. On the 3rd day, while I was sleeping in the afternoon, I felt a heavy presence moving very systematically from head to toe. I knew in my heart that it was the anointing. I asked for a confirmation and the second day the same thing happened. After 2 days I was completely set free. after many years I slept peacefully without any medication for the remaining days. I received a powerful anointing and I know in my heart that He has transformed my body, soul and spirit. I am clothed with the heavenly armor of God to be a light in the nation of Sri Lanka. I bless anna, anni and ministerial team for all that God did through them and I bless them Deeply from my heart.
