Greetings in the mighty Name of our Lord and Savior Jesus Christ!

It is our great joy to share with you through this magazine what God is doing in our ministry. We had a very powerful **10-day STC (Short Term intensive Course)** in our campsite at Poondi. Ministry leaders, pastors and believers from many nations as well as from different states of India attended. We had people from Germany, Australia, Sri Lanka, United Arab Emirates, Nepal and USA and also from Karnataka, Andhra, Kerala, Maharashtra, Meghalaya, Jharkhand, New Delhi, Orissa, Arunachal Pradesh, Rajasthan, Nagaland, Gujarat and Madhya Pradesh. May God bless you richly for your prayers. God blessed us with a pleasant climate, comfortable stay, good food and enough water for the almost 1000 delegates, preachers, students and volunteers. There was no discord, no grumbling, no complaining. God's Holy Spirit could flow mightily without any hindrance and transform lives for time and eternity.

God revealed His mysteries and enlightened the eyes of every participant by His profound truth about 'Christ in you, the hope of glory' (Gal.2:20; Col.1:27). People were delivered, healed emotionally and physically, challenged to perform miracles, signs and wonders, confirmed in their callings. They operated in the gifts, healed one another, prophesied to each other and went out full of the Spirit, truth and power. Continue to pray for them to keep growing into the full potential of their calling.

All the messages me and my wife gave during this 36<sup>th</sup> STC are available in DVDs. The wonderful news is that our long-time desire has finally become reality. You can now order **multi-lingual DVDs** with soundtracks in English/Tamil, English/Telugu and English/Hindi. We are working on it. We will send when it is ready.

We are preparing for our **Life Transformation Conference in Jabalpur**, Madhya Pradesh, from 16<sup>th</sup> to 19<sup>th</sup> of October. North India needs miracle workers with mighty signs

**Berachah Prophetic Voice - September 2013**  
[www.ezekiahfrancis.org](http://www.ezekiahfrancis.org)

and wonders. Only preaching is not enough. Preaching with the demonstration of the Holy Spirit is desperately needed to touch the unsaved. With this burden we have organized this seminar for people who are already doing ministry or desire to serve God full-time. Encourage such people to register immediately and don't forget to pray for this life-transforming seminar.

The Holy Spirit is doing mighty works among the students in our 24<sup>th</sup> 3-months **School of the Holy Spirit**. He is deeply working in them and opening up to them the supernatural realm. Pray for each and every one of them to be transformed into a different person.

We are also praying and planning for the next phase of our **building project**. We thank God for all our faithful partners who stood with us morally and materially for all these years to build this God-given ministry. We know the One who united us to fulfill His plan and calling will complete His work in and through us. Please keep praying and supporting us as the Holy Spirit inspires you. Continue to pray for all our programs.

November is a special month for ladies. We will conduct the fourth batch of our **School of the Holy Spirit for Ladies** from November 1<sup>st</sup> to 30<sup>th</sup>. Already many women are eagerly counting the days to attend this life-transforming school. Our hearts are overflowing with joy to see marching Deborahs, dancing Miriams and praying Esthers who were once oppressed and hopeless now taking revenge against the devil. We want to see your life touching families and influencing societies. Rush for your seats and apply today.

Keep visiting our website [www.ezekiahfrancis.org](http://www.ezekiahfrancis.org) and our Facebook page [www.facebook.com/Dr.EzekiahFrancis](http://www.facebook.com/Dr.EzekiahFrancis) for updates, and follow us on Twitter @EzekiahBPM.

Continue to pray for our European TV programs in German language and also for the new launch of programs in national and international channels. Pray for our literature and media ministries. Pray also for my dear wife, our aged parents, counselors, key leaders, coordinators, staff and partners.

God will bless you and your generations as you stand with this God-raised ministry!

With love and heartfelt prayers,

**The word: SPIRIT MAN**

# ARISE AND SHINE

DR. EZEKIAH FRANCIS

You are the light of the world. These words had emanated from the very mouth of our Lord, Himself. Even if you hear His words hundreds and thousands of times, they never lose their freshness. Let not your familiarity with the Word make it stale. A fresh zeal, should swell within you, every time you hear His word. It should be as though you hear it for the first time. As long as you maintain that sort of pining for His Word, it shall be ever fresh to you. The moment His Word begins to sound commonplace to you, your life becomes tasteless like stale bread.

The Lord was very categorical when He declared, ***“You are the light of the world.”*** He (was the One Who) lit your lamp; kept it above the bushel; above the attractions of this world. It has authority over the powers of darkness. It is a wonderful light that lights up anyone and every one. It was our Lord, Jesus Christ Himself who said this. The Word of the Lord has more authority than the biblical saints.

John G. Lake said that the entire words in the Bible are the words of God. Even among them, the words of the Lord Jesus are like the verdict of the Supreme Court. Whereas the other words are like that of the high court. He said that was the reason why he had acquired the Bible where the Lord’s words were printed in red and read and reread those words again

and again. This almighty God tells you very emphatically that you are the light of the world.

## All Disciples

Do not imagine that a handful of disciples who shine very brightly alone are the light of the world. It was not a special promise given by Jesus to a select few of His disciples. These words were addressed to the multitudes of disciples who thronged Him wherever He went. Even today, He looks at you straight, stretches forth His hands upon you and declares with love, “You are the light of the world, and I lit you up.”

## And for the Present

Whenever we read such verses our tendency is to pray very earnestly, “transform me, Oh Lord, into light.” But Jesus never said that we are going to be lights in the future, nor were we lights in the past. He did not say that we would be lights henceforth. Nor did He say that we were lights once upon a time. But He said that we are the light to the world where we live, right now!

When we read the Scripture, we should do so with the full awareness as to the time to which it relates. We should also realize the remarkable difference between the Old and the New Testaments.

Our beloved Savior came to this world as the true Light. The eternal life (Zoe) was within Him. That life was the light of men. Therefore He declared very boldly and equivocally that He was the light of the world. Very well, He was the light when He was alive upon this earth. But where is He now? Now He is shining within us who have received His eternal life! We are the limbs that constitute His body today. The light that lit up the world from His body then, is lighting up the world now from within us. Jesus tells us now that we are the light of the world as He was Himself the light during His earthly life. The life of Christ was the light of men. It shines very brightly in the dark. And the powers of darkness will never prevail upon it.

That was the light, par excellence, that lights-up any who is born into this earth. His life has flown into you that very day when you believed in Jesus. That life is the one that illuminates every one. The One, who has the Son, not only has the life but has also been transformed into eternal light! The powers of darkness can never prevail upon him. This is the wonderful light that has the tremendous potential to brighten up every one, not only in your household and in your street, but in any part of the world.

Christ has not given you just a portion of His life but has given it abundantly. That means that His life is glowing within you one hundred percent. First you must believe that.

### **No change in belief, no change in life**

You can be transformed only according to your self-image. If you start looking at yourself as a shining light, the divine glory shall begin to radiate from all the facets of your life. Very often we are engrossed in thinking that our conduct should change. Most of the messages that are preached today also emphasize that.

Your conduct, however, cannot be improved without changing your faith and hope. As long as you lament that you are engulfed in the darkness, and that you are of no use to any one, your light will not begin to manifest.

The truth of the New Testament is very keen in

changing your faith pattern. Read all the epistles. First they try to establish who we are in Christ. Then they proceed to show how we should conduct ourselves. For example, writing to the believers at Ephesus, Paul says, "For you were once darkness, but now you are light in the Lord. Walk as children of light (for the fruit of the Spirit is in all goodness, righteousness, and truth), finding out what is acceptable to the Lord. And have no fellowship with the unfruitful works of darkness, but rather expose them. For it is shameful even to speak of those things which are done by them in secret. But all things that are exposed are made manifest by the light, for whatever makes manifest is light. Therefore He says: "Awake, you who sleep, Arise from the dead, And Christ will give you light" (Eph.5: 8 -14).

We must have the revelation that we have become 'lights' before we could lead a light radiating life. It is that faith that will fan the light in us greatly. The present day psychologists concede that 'our belief system' transforms 'our behavior system.'

### **Your Faith Is Your Victory**

It is impossible to lead a holy life, no matter how sternly you are advised or how earnestly you endeavor. But you are already sanctified having been washed by the precious blood of our Lord, Jesus Christ. The Christ who is living within you has already filled you with His holiness. The Holy Spirit has converted your bodies into His temples. He is moving all over you in all His holiness! (1.Co. 3:16, 17)

Therefore when we preach to them, asking them to run away from all filthiness, people believe in the divine holiness that is in them. That belief becomes a victory of holiness for them. This important truth pervades through the entire New Testament.

There are many who tried a thousand methods to show love and failed. Many are those who fasted for this purpose and yet could not show real love and got discouraged. But when we realize that the love of God has been poured within our hearts, (Ro.5:5) and that agape love is flowing in our hearts and hence we are not without love, we can see that His love bubbles from within us, effortlessly.

### **The Fact that I realized:**

History is divided into 'before Christ' (B.C) and after Christ (A.D.) In the same way, even in our lives, before Christ came into our lives, we were in pitch black darkness. We were groping in the darkness not knowing right from wrong. But when Christ came into our lives, the darkness was dispelled. His divine light arose within us. Now we have the dazzling brightness within us. His glory radiates from us. This is the Truth. The realization of this truth totally delivers us from the power of darkness.

I have thoroughly understood this fact and have firmly grasped it. When I lacked the biblical knowledge to know who I am, I totally depended upon my actions and my fasting and prayers. Even the many sermons that I had heard did not show a clear picture of my status. But the moment Christ came into my life, the divine glory came into my life. From then, even my view about myself has radically changed.

I had another important realization in my ministry. That is, without showing the people who they are in Christ, if we tell them how to lead a good life, their life never changes. In the beginning of my ministry I remember I called the people, "Oh, ye white washed sepulcher!" Many a people had cried out totally broken down. But such harangues never

changed anybody's life, not even a little bit. Nor did they become useful vessels for any one.

The most important reason for people today leading such a filthy and lewd life is because of their very poor self image. Anyone having a low self-esteem will never aspire for greater things. In jest, it may be said that such a person, among the unsaved, even if he had a lot of money, would stoop down to the level of frequenting an illicit bar and lose himself there. But if he were the son of a minister of the government, he would have a different picture of himself. He would deem it below his dignity to go to such joints. Instead, he goes to a star rated hotel.

Yes, beloved, rather than worrying about finding ways and means to change your personal life style and conduct, try and understand who you are in Christ. This realization will activate your life as an engine does to the train. All other aspects of your life will just follow, as the coaches follow the engine.

Now, confess aloud, "I am the light of the world". Do not fear to acknowledge that you had been in the dark so far, but proclaim that you are not there anymore. You are the light of the world.

### ***A SHORT TERM INTENSIVE PRAYER SEMINAR FOR FIVE DAYS***

The Word of the Lord came clearly to Dr. Ezekiah Francis asking him to conduct Short term Intensive Prayer seminars with specific focus to pray for the nations. The Lord specifically showed him that it was either Revival or Ruin for our land if we do not act now. The purpose of our existence is to impact our nation. Without a prayer cloud there is no revival rain. The bible clearly talks of a set apart, chosen people who have been entrusted with a specific burden to pray for the healing of the land (2.Chr. 7:14).

Do you want to change the course of history and impact our land?

Do you have a consuming or burning desire to pray for our land?

Do you feel you are called to pray for our nation?

**Then this is the seminar for you.**

**Come and let's shake the nations and move the continents.**

**Respond to His call today!**

**Be a part of this great movement which God is mobilizing!**

# WHY PORNOGRAPHY

(Excerpt from the Book "MARRIED - HAPPILY EVER AFTER" )

Rev. Benita Francis

Now, why is pornography so readily available everywhere? There are two reasons for this. Of course, satan, your arch enemy, just loves anything that would defile you and deprive you of your intimacy with your God and with your spouse. He knows that in due time, he will be able to put his demons into you because you voluntarily step into his turf. Knowing this, will you really do him the favor of doing what he loves?!?

The second reason is just plain old greed. Did you know that porn is a very big business all over the world, at par with drugs and human trafficking? How rightly the Bible says, "For the love of money is a root of all kinds of evil, for which some have strayed from the faith in their greediness, and pierced themselves through with many sorrows" (1.Ti.6:10)!

But let us now look at the most important aspect, the spiritual aspect. Why would satan desire so much to drag you into pornography again and again? The answer is very simple.

## Your vision determines your future

Your vision determines your future. What you can see is what you can possess. That is the reason why satan, God's and your fierce and hateful adversary, will always try his best to defile your eyes so he can destroy your vision.

Your vision creates your goal in life. What you look at is what you walk towards. Have you

ever tried to look in one direction and walk towards another? You would have found out that it is extremely difficult. Even if you try to walk straight, you will tend towards the direction you are looking at.

That is why God took His friend Abram outside to look at the stars of heaven and to see if he could number them in order to show him how plentiful his descendants would be (Ge.15:5). You can see God's principle even more clearly in Genesis 13:14-15: "And the LORD said to Abram, after Lot had separated from him: 'Lift your eyes now and look from the place where you are - northward, southward, eastward, and westward; for all the land which you see I give to you and your descendants forever'". Wow! What you see is what you can possess!

Another very powerful example of this spiritual principle is found in Genesis 30:37-43. Let us read it together.

37 Now Jacob took for himself rods of green poplar and of the almond and chestnut trees, peeled white strips in them, and exposed the white which was in the rods.

38 And the rods which he had peeled, he set before the flocks in the gutters, in the watering troughs where the flocks came to drink, so that they should conceive when they came to drink.

39 So the flocks conceived before the rods,

and the flocks brought forth streaked, speckled, and spotted.

40 Then Jacob separated the lambs, and made the flocks face toward the streaked and all the brown in the flock of Laban; but he put his own flocks by themselves and did not put them with Laban's flock.

41 And it came to pass, whenever the stronger livestock conceived, that Jacob placed the rods before the eyes of the livestock in the gutters, that they might conceive among the rods.

42 But when the flocks were feeble, he did not put them in; so the feebler were Laban's and the stronger Jacob's.

Wow. Can you imagine? Just by what these animals saw while they were drinking their water, their offspring was influenced! What the parents watched, the children turned into! What a tremendous warning!

I will never forget an experience I had in Germany many years ago. A young sister in Christ came to me, almost in panic. Very reluctantly, she started opening her heart and sharing her fears. She had received Jesus as Lord and Savior of her life in her early childhood, since her parents had become believers even before her birth and had always taken her to church. Now she was in deep distress because of spooky things happening in her life.

She told me she had discovered a coffee house she liked very much and felt very comfortable in, and also a meeting place for young people with music and dance. When she told her parents about it, her father became white like a wall. He confessed that these were exactly the places where he used to drink and take drugs with his friends before his salvation. He had never told anybody about this, even his wife didn't know about these places; but now his daughter felt this strange attraction and had become a frequent guest at these clubs.

Unfortunately, I didn't know about curses and soul ties in that time and could not really help her. I sent her to our pastors, but in a short while she started taking drugs, at the end even injected heroine. By much prayer, her life was saved and she came back to Jesus, but only after years of horrible tragedy and self-destruction. What her father had been looking at, his daughter had become. How real is the spiritual world!

Let us now see what else happened through Jacob's display of peeled rods. Genesis chapter 30:43 says,

43 Thus the man became exceedingly prosperous, and had large flocks, female and male servants, and camels and donkeys.

Have you ever thought about what really happened here? Well, there was a brainy man who knew about the power of vision. What did he use this knowledge for? He used it to make a lot of money! Verse 43 tells us, "Thus the man became exceedingly prosperous..."

Exactly the same thing is still happening today. People who understand the power of vision use this divine principle for their own gain, many times without any concern about all the tragedy their deeds bring into so many lives and families.

On a lower scale, advertisement works in the same way. Somebody shows you pictures or a video clip about some product, and very soon you feel you can't be happy without it. Today you see these clothes displayed; tomorrow they become your style. You have become what you have been looking at!

Can you see the power of your eyesight? Very easily and almost without your knowledge, your eyesight influences and even creates your spiritual vision. The Bible tells us in Romans chapter 1 that even God is known by the things He created (Ro.1:18-21). How do we perceive what He created? Well, we see it!

And there is a still more important truth:

What you look at intently is what you will ultimately be transformed into! See for yourself what God's eternal Word says:

18 But we all, with unveiled face, beholding as in a mirror the glory of the Lord, are being transformed into the same image from glory to glory, just as by the Spirit of the Lord (2.Co.3:18)

Can you see it? If you direct and fasten your eyes on Jesus, the author and finisher of your faith, you will ultimately be transformed into His image which was God's intention from the very beginning of creation (Heb.12:2-3; Ge.1:26-27)!

This is actually the best recipe I can give you to overcome pornography. You can make a

covenant with your eyes like Job did centuries ago: "I have made a covenant with my eyes; why then should I look upon a young woman?" (Job 31:1). Every time you get tempted to see pornography, remember the meaning of the word (Porc = pig, graphy = graphic display) and ask yourself if you really would like to be transformed into a pig!?!)

You can then make a conscious decision to turn your eyes from the temptation and into God's Word. This might seem impossible to you, but let me encourage you: Your God is the One who gives not only the desire but also the power to do His will (Phil.2:13)!

– to be contd...

# Worshipers in the Holy Bible

THE DOMINATING SUPERNATURAL PRESENCE OF GOD ON DANIEL

Bro. Manuel Jeyaraj

**Daniel's 3<sup>rd</sup> chapter** unveils another stupendous truth about the dominating supernatural presence of God. Daniel was already promoted by God to stay in the court of king Nebuchadnezzar. That was the time when the king made a very big statue and erected it on the plain of Dura (**Dan.3:1**).

The king invited all his officials, satraps, prefects, administrative ministers, conjurers, governors, counselors, magistrates, rulers of all his provinces to come to the dedication of this monstrous statue. Just imagine - king Nebuchadnezzar called all his rulers from different nations and all his important subordinates for this hellish dedication of the statue. It was a very strong decree sent by the king to all the people of the kingdom of Babylon. No one could stand against the command of the king nor could anyone alter the command of the king. If he has written some thing, it is written for ever or if he has said some thing it is said for ever. And so, everyone was present over there for the worship of the idol. It was also a prestigious issue or propaganda for king Nebuchadnezzar. Everyone's presence was demanded by the king.

When I read this passage, the Holy Spirit made me relate this with what is happening in India today. Well, what can we talk about our India? Everywhere we find the names and statues of idols. Everywhere we hear news of the festivals for idols. We hear the news of the President or the Prime Minister visiting a temple or visiting a swamiji. There are many more areas in India where we cannot spell the name of Jesus or His gospel. We are regularly hearing the news of ministers visiting holy places and so on. Even in some places conversion bill is so effective that either servants of God are arrested or churches are burnt down. Such is the situation in India. May be this news is not good to hear

but **thank God Daniels are rising up to prove the sovereign rule of God over India. High praises are getting established through the mouths of anointed Daniels.** Remember one thing beloved-**when the enemy's hand goes up high that is the best time for God to prove His power.** It might appear that nothing is in control of the Almighty but **the Holy Ghost is hatching up the situation. God is raising up Daniels in His secret chamber. Amen!!!** The enemy might be threatening us but the fact of the matter is that Jesus has finished everything for us on the cross. His victory is our victory. His power is our power. Nothing stands on our way to establishing His Kingdom in India. It is time for us to display the sovereign rule of God in India through praise and worship.

King Nebuchadnezzar commanded that music should accompany the worship of this great idol. There were several musical instruments like the horn, the flute, the lyre, the trigon, the psaltery, the bagpipe and all kinds of music. In today's scenario, it appears as though satan has robbed all these instruments from the church. But, Hallelujah! The Holy Ghost is rebuilding the tabernacle of David again in a mighty swing. For this worship, the king included all the instruments like blowing instruments, stringed instruments and loud sounding musical instruments. Some of the instruments indicated here are actually liked by our God. But the devil stole them. David had these instruments in multiples in his tabernacle. In fact he had a huge set up of musical instruments. It was more than what we read in Daniel's book. It was a total commotion out there in the plain of Dura. People were assembling in large crowds for the worship. The king had also made a decree that if someone fails to worship the golden image set up by him, they would be thrown into the furnace of blazing fire. So, all the people trembled

before the king and worshipped the golden image when they heard the sound of the musical instruments. But the holy Jews decided not to worship this golden image. The first of the Ten Commandments given by Jehovah was not to worship any other gods other than Him. Moreover Shadrach, Meshach and Abednego knew the worship music of our Almighty God, Jehovah. And so they did not care about the decree of the king.

Do we know the worship music of our God? How are we appreciating His music for praise and worship? There is still a magnificent and dynamic music of praise and worship which will have to be played inside the soul of every believer and church. The Holy Spirit promises to release the heavenly music of praise and worship into the churches of India. This revival will surely be seen by all flesh living in India. This is the sound of praise and worship that will make people from every land and tribe to stand before the throne of the Lamb. It is not king Nebuchadnezzar's worship band that will attract the people from every nation and tribe. It is our Lord Jesus' worship band that will pull all men from all nations and tribes for a glorious praise and worship before His throne.

Jesus' music of praise and worship is like the sound of many waters, a million fountains gushing and pouring out without barriers and obstacles. His music of praise and worship is coming direct from His throne, where you have hundreds and hundreds and thousands upon thousands of angels playing joyful music of worship. Not only that, but it is also a sound filled with loud cries of adoration sung by myriads of angels and saints of God. God still has in store for us some music instruments in heaven which cannot be named by human beings.

The Holy Ghost is waiting to reveal these secret instruments of praise and worship to the end time worshippers living in the end time church-the world wouldn't have ever heard such a wonderful joy and awe-inspiring praise and worship music until now. Are you ready to hear the music of heaven? Do you long for that intoxicating heavenly music? Are you thirsty to hear and sing the tunes of heaven? Right now, the Holy Spirit is ready to lead you into this heavenly experi-

ence. Thousands and thousands of angels are right here on this earth waiting for worshippers to receive the glorious musical instruments they have brought from heaven. Receive them by faith. Start playing them. He is rebuilding the tabernacle of David again. Music belongs to our God, only to worship our God.

Do you think the heavenly angels would have stood aside from Shadrach, Meshach and Abednego? No, they were along with these three people when they refused to bow down before the golden image. They were very active to work for these three people. The king got angry when the news reached that some of the Jews refused to worship the idol. Another truth I found here is that the king ordered for a prostrate worship (Shachah (Hebrew) in the OT and Proskuneo (Greek) in the NT). These three were dead against it because such kind of worship belongs only to our God, Almighty Jehovah. Jesus talked about this worship in John 4:23 and 24.

In the end times, this worship will sink all the idols of all nations. This worship is a powerful worship that will bombard the demonic kingdom. This worship will tear apart and pull down the idols and the temples of strange altars. It is a highly intoxicating worship which will keep the bride of Jesus lingering with multitudes of love songs for Him. The Holy Ghost is readily stirring up such kind of love songs from the bride of Jesus Christ. It is not time for the professionals' music but heaven's music. Beloved worshippers, expect this.

Now, the king found that these three men did not bow before the image even when he asked them the second time to worship the image. He got wild by the answer that was given by these three people. And so he ordered to heat up the burning blazing furnace seven times more and challenged them for the power of their God to save them. But these people did not care about the king's challenge. They just focused on the presence of God. Beloved, what are you going to focus on when the fiery furnace of tribulations challenge you? Many times we have belittled His awesome presence in us. We did not realize that the presence of Jesus has completely filled us in and out. Praise and worship leads us to a rest (His Presence) that God has called us for. Just enjoy His presence which shatters all the

problems from us. Now, the king commanded his valiant warriors to put Shadrach, Meshach and Abednego into the extremely hot blazing furnace. The valiant men died when they were about to put these three men. These three men fell into the furnace. Beloved, when you are in a fiery furnace, heaven stands by your side to protect you. An angel descended from heaven to rescue these three men. The angel was busy fixing heavenly air conditioners inside the blazing furnace. When heaven invades earth, it changes the earth's atmosphere. His presence inside you changes the fiery atmosphere into a cold place.

New Testament believers, it's an open heaven for you all and never a closed heaven. We don't worship God standing far from heaven but from heaven itself! (Heb.12:22-24). How glorious! We are in Jesus and Jesus is in us. He that is one with the Lord is one with His Spirit. The heavenly climate is not a hot climate; it is always a chill one out there. The whole heaven is released for you and actively working for you. They are here for you. These three men were bound and then were thrown into the furnace. But the king was astounded to see them completely loosed and along with the fourth one. He saw the fourth man to be a son of the god.

Beloved, nothing can bind you in this earthly life. Jesus has already broken the death chains for you. Those chains can never ever bind us again. The angel from heaven was busy walking with these three men in the furnace. May be he was busy talking with them about how God was going to work through them and

Daniel. May be they were busy singing songs of praise and worship. God completely changed the situation for them. The king admitted that Jehovah God was the Most High God. He called them to come out. The king and all the officials checked them if they had any of their hair singed or burnt some where in their bodies. They didn't even have the smell of fire on them. Nothing could harm them. Their trousers were not burnt out. They were perfectly alright because they had just then visited heaven and not fire.

The king then sent a decree saying "Any people, nation or tongue that speaks anything offensive against the God of Shadrach, Meshach and Abednego shall be torn limb from limb and their houses reduced to a rubbish heap, inasmuch as there is no other god who is able to deliver in this way" (Dan.3:28, 29). Beloved, I surely believe we are heading toward the days when we will witness this notable incident in our India. Worshipers are going to rise up like these three men and change the whole nation of India. The Parliament Assembly will commence with praise and worship. The Prime Minister will declare that there should not be worship of any other god except Jesus. There will be a decree that no temples for strange gods should be built. All the temples will be heaped up as rubbish. All idols will be smashed up by worshippers. The Holy Ghost is eagerly waiting for such worshippers. Respond to His call. Linger in His presence. Make His presence the primary focus. Live in His presence. Glorify His presence. Love His presence. Get intoxicated in His presence. Prove His presence for India. You are blessed. Hallelujah.
