The glory of God was manifested engulfing the participants and enabling commitment to do more for the Kingdom of God. There will be mighty miracle workers, healers and dead raisers that will come alive from these set of people who have come to attend our 38th STC. Now it is time for the baton to be passed on to the new generation of workers. I have challenged our participants to yield to the Holy Spirit and let go of all control. These lives need to be fully possessed by the Holy Spirit for our part to be played.

NO DOUBT DICTIONARY IN CHRIST

Dr. Ezekiah Francis

*We went to the land... It truly flows with milk and honey... **Nevertheless** the people who dwell in the land are strong; the cities are fortified and very large; moreover **we saw** the descendants of Anak there”.*

Let no corrupt word proceed out of your mouth, but what is good for necessary edification, that it may impart grace to the hearers (Nu.13:27-28; Eph.4:29).

There is a heavenly and an earthly language. The heavenly language is always a faith language. The earthly language is the language of doubt, unbelief and confusion. Faith and doubt have each its own vocabulary. God and the devil have each their own language. Any word that breeds doubt and fear is directly from the devil’s dictionary. To develop your new life in Christ, you must know what comes from the devil and hate it to the core. Here is a check-list for you to analyze your dictionary.

Beware of demon-inspired words! The ten spies brought their evil report and caused great destruction, even the death of the entire nation! Words can destruct or construct a nation! Words can break you or make you! Words have power to kill you or resurrect you! The arch-destroyer used these ten spies for his sinister schemes. Both God and the devil use the tongues of men for their purposes. Closely observe the bad reports of the ten spies. See the evil in it, and stay away from it!

Avoid “BUT” and “NEVERTHELESS”: After

they commended the fertility of the land, they immediately said, “Nevertheless, the people are strong...” (Nu.13:28). Whenever you hear the good news of life in Christ, the devil will speak “BUTS” into your mind. “I am a new creation, BUT...”, “I am blessed with all the spiritual blessings, BUT...”, “God always causes me to triumph in Christ, BUT...”, “By His wounds I am healed, BUT...”, “By His poverty I became rich, BUT...”, “He has given me abundant life, BUT...”, “God is the strength of my life, BUT...”. These are the symptoms of demonic interference in your faith language! Beware! They can ultimately prevent your possession! Erase such words from your vernacular TODAY!

The people are strong... stronger than we: (Nu.13:28,31). Any word you speak about the devil’s power is devil-inspired. Sickness-magnifying, hindrance-focused, lack-oriented, failure-expecting, fault-finding words are definitely demon-inspired! Words like, “Satan is attacking me constantly,” “It’s a terrible disease,” “It’s a huge loan,” “My enemies have more strength and money,” magnify and empower the enemy! In Christ, no enemy is stronger than you, no problem bigger than your God! If the enemy is strong, your God is stronger, and you are stronger than all your enemies! The strength of the Almighty is yours! The One who gave strength to the lion and the wild ox lives in you, increasing your strength constantly (Nu.23:22,24; 24:8; Isa.40:29)!

The cities are fortified and very large: I believe in the enemy’s stronghold over nations, but I boast in God, my Stronghold! When a new creation attacks, the gates of Hades collapse (Mt.16:18)! On the cross, your Savior

captured the enemy's stronghold and spoiled his goods! Shout it to yourself and to the world (Lk.11:21-22)! The so-called strongholds can't withstand your powerful weapons (2.Co.10:4-5)! In Christ, your God is your Fortress, your Rock, and your high, strong Tower (Ps.18:2; 61:3; Pr.18:10)!

Moreover we saw the children of Anak there: Devil-inspired talk is sense-knowledge-talk - they talk what they see, hear and feel. Natural man trembles at a doctor's bad report and at the enemies' threats. In Christ, you don't walk by sight but by faith (2.Co.5:7). A new creation refuses to look at the temporary but looks at the eternal (2.Co.4:18; Ro.4:17-20).

We are not able: This is the language of unbelief! The devil inspires you to speak your inabilities and weaknesses. You can do all things in Christ (Phil.4:13)! Nothing is impossible! All things are possible to you (Mt.17:20; Mk.9:23)! Stop saying what you cannot do! Don't lend your tongue to the devil!

It is a land that devours: Don't ever say what the devil can do! He cannot destroy, harm or devour you! He must obey your command!

We were like grasshoppers in our own sight, and so we were in their sight: Stop saying you're weak, small and insignificant! Never see yourself as a failure! As you see yourself, the enemy will see and treat you! You are not a grasshopper but a threshing sledge with sharp teeth (Isa.41:15)!

Beloved, God needs your tongue! He wants to use your tongue to build up your image and bless the entire world! Your words can swallow the enemy - heal the sick, cast out demons, raise the dead, command prosperity, create faith, build God's Kingdom! Exalt God and humiliate the devil by your words TODAY!

Thank You, Lord, You are my Rock and my Fortress and my Deliverer, my God, my Strength, in whom I will trust. My shield and the Horn of my salvation, my Stronghold. You have

FAITH DICTIONARY INCHRIST

Then Caleb quieted the people before Moses, and said, "Let us go up at once and take possession, for we are well able to overcome it."

I can do all things through Christ who strengthens me (Nu. 13:30; Phil. 4:13).

You are a heavenly person and the faith-child of a faith-God. Your language is always positive and full of vibrancy and assurance. Fearful words have no place in your dictionary. Caleb and Joshua are good examples for you, God's new creation.

Silence unbelief: You are God's "unbelief-silencer". See the reaction of the faith-leaders when they heard the complaining of the doubters! Moses and Aaron fell on their faces before the whole congregation (Nu.14:5). Joshua and Caleb tore their

clothes (Nu.14:6). Caleb took an active step to quiet their cry of unbelief (Nu.13:30). He had a different spirit, the spirit of faith (Nu.14:24; 2.Co.4:13). In Christ, you have the spirit of Caleb. The majority of God's saints speak the words from the doubt-dictionary. There is a tremendous need today for faith-warriors to wage war against doubt and unbelief. You are a believer. Raise your voice against all sense-inspired, fear-producing words NOW! Speak the words from God's faith-dictionary!

Let us go up at once and take possession: Caleb was fully aware of the giant-sized enemies and walled cities, yet he spoke from his spirit of faith, "Let's go up at once". For him, there was no postponement for possession. Faith is always NOW! It's the substance of things hoped for, the evidence of things not seen (Heb.11:1). Hope says, "God will heal me, will bless me...", etc. Faith says, "God has healed me, God has blessed me..." Caleb saw the enemies and their lands already in his hand. He was ready to possess it immediately. Shout right now, "I take my possessions! I take my healing! I take my prosperity! I take all my blessings at once!" Start speaking Caleb's language TODAY!

We are well able: When a doubter says all his inabilities, a faith person shouts his abilities in Christ. He shouts, "I have Christ's ability in me! God is my

sufficiency! He is my wisdom! I can do all things! I can solve all problems by His wisdom!" etc. Really, you are more than a conqueror, well able to do everything you are called to do (Ro.8:37). Never ever speak anything contrary to this fact!

If the Lord delights in us, He will bring us into this land: Caleb believed and confessed, "If God is pleased, He will give" (Nu.14:8). In your dictionary, there is no "if". The One greater than Caleb lives in you! Now, your language is, "God delights in me! He has given me the land!" You are in the Beloved (Eph.1:6). You are His delight. He has blessed you only on the basis of His pleasure in Christ. Shout for joy TODAY!

Do not rebel against the LORD, nor fear the people: A faith-person encourages God's people to trust God and resist all fear. You are a faith-builder in Christ! You are an encourager! You are a "fear-resister"! You open people's eyes to see that negative words are rebellion against God (Nu.14:9)! You take a stand against all negativism, even if you have to stand alone. Start speaking such faith-inspiring words to the fearful ones!

They are our bread: All your enemies are your bread! You grow in adversity. You smell like a rose among thorns. The more your enemies, the more your growth (Ex.1:12)! Your battles are your booty! Your enemies cannot swallow you, rather you will swallow

them and grow bigger and bigger! Demons cannot chase you, rather you are called to cast out each and every demon!

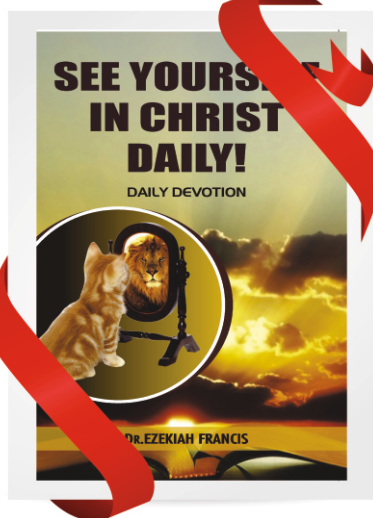

Their protection has departed from them, and the Lord is with us: The person who speaks from the faith dictionary always speaks about the vulnerability, humiliation, defeat and utter impotence of the devil. Whenever he mentions the devil and his hosts, he speaks of them as stripped of all power, destroyed, defeated and dethroned (Col.2:15; Heb.2:14). For him, the devil and all his enemies stand totally unprotected.

In Christ, the very power that rules heaven and earth lives in you. The Source of all power, the great Almighty, is in you - not only with you!

Do not fear them: Nowhere the Bible says you should fear the devil! It always tells you to resist the devil, give no place to the devil, cast out the devil, know his schemes, etc. (Jas.4:7; 1.Pe.5:8-9; Eph.4:27; Mk.16:17; 2.Co.2:11). Fear is a spirit straight from hell! You have the spirit of faith and boldness. Practice your faith vocabulary TODAY!

Thank You, Lord, with my enemies is an arm of flesh, but with me are You, my God, to help me and to fight my battles. I have the same spirit of faith I also and therefore speak because I am in Christ.

Abortion

Rev. Benita Francis

Nowadays it seems so easy to terminate a pregnancy, but is it really? Let me tell you the cruel reality. Here are some statistics.

In the United States of America, abortion was legalized in 1973, after the famous court case Roe versus Weigh. Their main argument was: It is just part of the mother's body. She has right to do with it whatever she wants.

Since then, over 53 million abortions have been done in USA! NY state and California don't require all abortions to be recorded, so the actual number is much more.

Very shocking are the reasons given for abortion:

74%: Inconvenience: having a baby interferes with career, education or ability to care for others

73%: Can't afford a baby

48%: Don't want to be a single mom or have problems in relationship because of pregnancy

25%: Nobody should know they had sex!

LESS THAN 1%: rape victims

LESS THAN 0.5%: victims of incest

4%: medical issues, but mostly morning sickness, not danger for mother or child!

Less than 2% are for genuine medical reasons or hardship

Isn't this selfishness just a shame?

The famous "morning after pill" can be bought just over the counter. In many nations, you don't even need a doctor's prescription to buy it! What a shock! How easy murder has become nowadays! But let me warn you. It does have serious side effects, disturbing your hormonal balance, and it does not always work as you would want it to work.

I have seen horrible cases of children that were born deformed or mentally retarded because the mother took these tablets or injections to induce an abortion. Sometimes, a little bit of blood seems to indicate that the pregnancy was terminated, but it was not fully done, and a disabled child is the result. A whole lifetime of guilt, shame and suffering for both child and parents will be the result. Why not better obey God's wise counsel and do things His way? If you exercise just a little obedience and self discipline now, you will reap a lifetime of peace

and tranquility (Hebrews 12).

Another tragic testimony I saw was of a young woman who had been born with some physical challenges and disabilities. What was the reason? Her mother had conceived her before marriage and decided to abort the baby. She went through the whole procedure and thought she had finally solved her problem.

A few months later, however, she could no longer deny that something was wrong. She didn't get her periods, and her tummy kept growing. A visit to the gynecologist revealed the shocking truth. Yes, there had been an abortion. Yes, the baby had been cut into pieces and cruelly assassinated. The only problem was that nobody had noticed that there were actually two babies growing inside her mother's womb!

The abortion killed one, but the other one, though hurt and disabled in different areas, survived.

Praise God, that girl became a believer in Jesus and turned her misery into a ministry. She is now sharing her tragic story in every place possible, rescuing hundreds of unborn babies from a cruel death inside their own mother's womb.

Life is a miracle, life is a gift of God, and life is something deeply hated and envied by satan, God's and your greatest enemy. Actually, satan can imitate almost everything except life. All satan can do is kill, steal and destroy. He stands in awe and wonder, shivering with jealousy and hatred, at God's precious gift of life.

I love to watch and study the tiny little monsters that hatch from our lovebird eggs and then see both father and mother feeding and caring for that cute baby creature. How great is the excitement when it finally opens its eyes and starts looking at the world around it! With how much suspense I wait to see which colors my beloved Jesus would have painted on this batch of baby birds! Wow! Life is such a miracle!

I deeply enjoy watching our female dogs. As soon as they have conceived, their mood, their attitude and their entire behavior changes completely. They become more homely, more attached, more moody, more hungry, more sleepy - just like a woman would.

After some time, you can see the body changing, preparing for the delivery and getting the milk bar ready for the babies to suck. What a miracle is life! Only God can give it, and only God should decide when it is time for that life to end.

By watching my animals, I can see beyond a shadow of a doubt the immediate changes that happen in a pregnant female's body, mind, soul, emotions and lifestyle habits. How can anybody say that a woman has a right to her own body, to her own womb, and she can decide to destroy "that parasite", "that mass of cells", "that tumor" growing inside of her?!?!?!?

Did you know that there are people who address God's precious creation of life with such words? Shocking!

How does God see it? Well, He said to His prophet Jeremiah, "Before I formed you in the womb I knew you. Before you were born I sanctified you. I ordained you a prophet to the nations" (Jeremiah 1:5). What if that God-known, sanctified and ordained prophet had been aborted?!?!?!?

King David knew that God had formed him in the womb (Psalm 139:13-16). What if that fearfully, wonderfully made king of God's people had been aborted?!?!?!?

John the Baptist heard Mary's voice and jumped in his mother's womb for joy! This was only the 6th month of Elizabeth's pregnancy (Luke 1:44)! What if that forerunner who had to prepare the way for Jesus had been aborted?!?!?!?

125,000 abortions are committed worldwide every day! How many precious gifts and talents are gone forever! What an insult to the great Life-Giver!

Life begins at conception, just a few hours after the sexual encounter, when sperm and egg fuse. That is why even the morning-after-pill is murder. It does not stop the creation of a human being. It only changes the hormonal balance and impedes the fertilized egg to be implanted in the womb. It is like creating a baby and kicking it out into the toilet.

Don't be surprised if you suddenly feel different after using the pill. You have committed murder and

given legal right to satan to attack you. Only repentance and the Blood of Jesus can restore you to your old happy, healthy self.

To my greatest dismay, in India even servants of God don't see the seriousness of abortions. I have heard servants of God counsel desperate parents of a pregnant girl to simply "delete" "it" or "erase" "it". Very shocking! There seems to be no awareness of the tragic implications of abortions.

Let me tell you. Abortions are murder. They are homicide. They are a brutal affront against God's Ten Commandments (Exodus 20:13). They are utter rebellion against the God who created life and who is a life-giving spirit (Acts 3:15; 1 Corinthians 15:45). They are a clear declaration of war against God and taking sides with satan, who is the murderer from the beginning (John 8:44).

Actually, satan loves abortions. He likes them so much that he works overtime to get women pregnant through whomever he can find.

A doctor friend of mine told me that some other religions have formed a declared strategy to make young Christian girls to become pregnant and then force them to abort the baby. Some are even paying

money to boys whose only job it is to find and seduce innocent Christian girls. They know that the life of that girl will be destroyed by the sin consciousness, the guilt and shame, the pain and even the physical damage done. Other groups do it more aggressively. They take women as sex slaves and force them to abort, not caring if the woman survives or dies in the process.

Have you fallen in love with that sexy looking guy? Is he telling you that you are his one and only love? Does he tell you that you don't love him if you don't consent to have sex with him? Then run for your very life! The devil has prepared thousands of both men and women to seduce God's elect and destroy their lives.

This is one of his weapons to keep you from rising up for Jesus and fulfilling your calling. I think it is the most cruel of all his weapons and also the most powerful since it includes the shedding of innocent human blood. What a victory, what a triumph it is for satan each time a woman does an abortion!

Do you know how the devil classifies an abortion? He takes full credit for it. He enjoys it tremendously. It is exactly his domain: killing, stealing and destroying (John 10:10).

How does he get you to do it? By another tool from

his weaponry: by lying and deceiving you (John 8:44). The aborted fetus, as “pro-choice” people call the murdered baby, is accepted by satan happily as a blood sacrifice - a human blood sacrifice!

What a tragedy it is that the church has not woken up to this cruel spiritual reality! Even many leaders still consider abortion the easy way out of a difficult situation. They don't know the implications. This one murder opens the door wide for satan and his herds to come in and possess a person.

Very recently in one of our Schools of the Holy Spirit for ladies, one sister manifested very strongly and violently. Demons started speaking out of her, threatening to kill me. When I didn't pay much attention but kept praying for other sisters, she came very close to me, stood in a defiant position, and asked in a very loud, defying voice: “Do you know who I am? I am the main idol of the nation!”

Immediately, my precious Holy Spirit arose in me and put the right answer into my mouth, so that I replied: “Ah! Do you know who is JESUS? Do you know who is JESUS?”

Of course, these demons had to bow to the lordship of Jesus, and very soon, our sister was delivered and received the joy of the Lord. When she finally could stop laughing, she confirmed what the demons had spoken through her before. That strong demon had come in to possess her nine years ago, when she had been forced by her husband and family to do an abortion!

The most shocking fact was that this sister was a pastor's wife!!!

Imagine the torture that strong demon would have inflicted on her, and through her on her family and the whole church! She told us that the church experienced so many problems. Of course! The abortion in the leader's family had opened the door to a demon of murder and destruction. That demon could freely work through our sister, torturing her and everybody around for nine years! Imagine the plight!

Her deliverance was glorious! 120 sisters, who had been quite shocked and fearful seeing the violent demonic manifestations, exploded into an applause to

Jesus. Seeing this spiritual reality gave them a tremendous zeal for holiness and great confidence in the power of Jesus over any demon. Now, just a few weeks after the school, we are getting testimonies of our precious sisters casting out demons and healing the sick. Hallelujah! Glory to Jesus!

In the case of this pastor's wife, the reason for the abortion had been a lack of finances. In other cases, doctors advise to do the abortion for medical reasons or as a precaution because the mother needs more time to recover after a previous delivery.

What a horror! Even inside marriage, babies are not safe in their own mother's womb! Somebody said, the most dangerous place in the world is not some war zone. The most dangerous place in the world is the mother's womb! How tragic!

Another sister in our school also had gone through an abortion and suffered the spiritual, emotional, mental and physical repercussions for years. She made a very emotional appeal to the whole school, asking them: **“Don't make your womb a tomb!”** What a strong word! What a truth! Imagine! How horrible it must be to live the rest of your life with the knowledge that you had transformed your womb into the tomb of your own child, your very own flesh and blood!

Please understand. Abortion is murder. You must do everything to avoid getting into situations where you could become pregnant until you are happily married in God's perfect plan and order. Then don't worry about money. Can I tell you a secret? Your God is Jahweh Jireh, He WILL provide! When you have two children, He will provide what is needed for two children. When you decide to have more children, or when He gives you a precious pregnancy, you trust Him, and He provides for as many children as you desire. Never look at today's money. Why should He give you money for four children while you have only two?!?

As I told you, satan is working overtime to make people commit more murder and get more blood sacrifices for himself. He has made abortion so easy nowadays that people don't even worry about getting pregnant anymore. “So what? I can just get the morning-after-pill over the counter. I don't even need a prescription. Nobody will ever know.”

Oh yes. God will know that you decided to rebel against Him and step out of His domain, straight into the devil's territory of killing, stealing and destroying. And the devil will know that you decided to obey his insinuations. So he will happily accept your invitation and make his home in your life. Do you really want that??? Instead of being a temple of God's Holy Spirit, do you want to become a house for demons?!?

Well, this is what is going on in our world today. What would you think is the leading cause of death in the world? Guess. Cancer? Heart attack? Diabetes? Wars? Accidents? Wrong. 42% of all deaths in the world are abortions! What a good job satan is doing with his indoctrinations! In many nations, the government even pays for abortions with taxpayer money! What an open invitation for satan to come into the nation!

And there is still more to it. Apart from the spiritual dangers, abortions also cause great emotional, mental and physical damage.

The suicide rate of people who did or induced abortions is three times higher than in others, substance abuse is four times higher. The percentage of sterility and malformed babies after abortions is much higher than in the normal population.

I had demons tell during the deliverance that they killed or destroyed babies in the womb! When we asked the sisters afterward, they told us that they had

suffered miscarriages. Many times, by confessing the sin of bloodshed, breaking the curse and casting out the demons that came with it, formerly barren women bore beautiful, healthy children. Oh yes, the Blood of Jesus is the wonderful antidote against all the destruction satan brings.

I hope you understood the seriousness now. I hope you see that abortion is nothing but another favorite tool of that somebody who wants to steal and destroy your life. Please browse the internet and watch some video or see at least some pictures of life in the womb²⁵, the development of a child, and the like. See here the steps of development of a baby²⁶. You will be shocked and surprised at God's greatness and perfection, and you will just worship this wonderful Author of life!

Maybe you are very shocked and grieved right now because you yourself have committed an abortion or forced somebody to do so. Please confess your sin to God. He has already promised to forgive you, since He has paid for your sins with His own holy Blood (1 John 1:9).

If you come to Him and humble yourself under His mighty hand, He will lift you up once again. He will heal you of the guilt, trauma and emotional pain, and He will help you come alive again.

So please, don't allow satan to use you to steal life! GET a life - preferably your own!

This book is totally biblical, scientific, downright practical and Life transforming book for the youth.

Healing for All Nations Campsite - Phase 2

1 Chronicles 22:16: "Arise and begin working, and the LORD be with you"

God has been faithful in fulfilling the vision which HE gave to us concerning our BERACHAH POONDI CAMPSITE. From our campsite, we have already started to bless the nations. Healings and mighty deliverances are happening in a silent way, without any publicity, both here and all over the world through those who were trained here.

Of late, we have been receiving people from all over India and from various parts of the world. Their lives are transformed, miracle workers are released, new ministries and churches are established. Glory to God! A young generation of leaders is rising up, with a great zeal to shake the nations with the anointing power of the Holy Ghost. Because of their testimonies, more and more people are inspired to participate in our seminars.

Need of the hour:

A fully furnished auditorium with seating capacity of 2000 people, with extension capability for 800 more by adding balconies. The existing auditorium which was constructed in the year 2009 is able to accommodate only 800 people. Existing facilities are not sufficient to meet the growing need of our seminars. So we are planning to extend the auditorium by another 10,000 sq. feet and to improve the facilities to cater to the rising demand.

Extension work planned:

1. Auditorium	10,000 sq.ft
2. 24 Rooms	8,000 sq. ft
3. Dormitory with rest rooms	5,000 sq. ft
4. Road & Layouts	5,000 sq. ft
5. Kitchen	2,000 sq. ft
Total	30,000 sq.ft

The total cost of this project is Rs. 4.5 crore. The budgeted cost for **one sq ft is Rs.1500** (Rupees One Thousand Five Hundred Only). **We need only 3000 people who will sponsor 10 sq ft each.** It would be easy for us to accomplish this project with your co-operation, our dear partners. You can support collectively as a church, family, prayer group or through a group of your friends.

You can be a part of BUILDING the "Healing for All Nations Campsite" through which you will be raising and releasing miracle working harvesters around the world. By sowing in this fertile ground, you are partnering with the grace and anointing upon this ministry. You will receive the prophetic reward. Are you with us? Then let us rise up and build!
